Fixed Asset Management

Asset register, depreciation, transfers and disposals.

Dual
depreciation books

Tagging
& locations

Transfers
between units

Disposal
with gain / loss

Keep a complete asset register with Companies Act and Income Tax depreciation, inter-location transfers and disposals — linked to procurement and posted to Books.

Register

- Asset master with tags
- Capitalisation from purchase bills
- Location and custodian
- Insurance and AMC details

Depreciation

- Companies Act and Income Tax methods
- Monthly or annual runs
- Block-wise reports
- Auto journal in Books

Lifecycle

- Inter-location transfers
- Sale, scrap and write-off
- Gain or loss on disposal
- Asset history

How it flows

STEP 1
Capitalise
From purchase

STEP 2
Tag
Location & custodian

STEP 3
Depreciate
Scheduled runs

STEP 4
Transfer
Between units

STEP 5
Dispose
Sale or scrap
