inditone

Weighbridge Integration

Weights captured directly into GRN and dispatch.

Direct
weight capture

Gross · Tare
· Net

GRN
& dispatch

Tamper
resistant

Read gross, tare and net weights straight from the weighbridge into GRNs and dispatches — no retyping, no tampering, full traceability.

Capture

- Direct reading from the indicator
- Gross, tare and net weights
- Vehicle and slip details

Link

- Weight into GRN for purchases
- Weight into dispatch for sales
- Quality deductions

Control

- No manual weight edits
- Slip print and history
- Variance reports

How it flows

STEP 1
Gross
Vehicle in

STEP 2
Tare
Vehicle out

STEP 3
Net
Into GRN / dispatch

STEP 4
Audit
Slip history
